

Geographical Zone Access Policy

From 25.04.2022, selected CIM Mobility services will by default only be available within the geographical zones listed below.

Valid Geolocation:
Austria
Belgium
Canada
Denmark
France
Germany
Greenland
Ireland
Italy
Netherlands
Norway
Poland
Portugal
Spain
Sweden
Switzerland
United Kingdom (UK)
United States (US)

The new policy will be enforced by the following CIM Mobility services (using port 80/443 traffic):

URL:
admin.ecmr.biz
nemsms.ecmr.biz
nemsmsapi.ecmr.biz
pushapi.ecmr.biz
reportsapi.ecmr.biz
sdk.ecmr.biz
chat.ecmr.biz

If you have connection to these services outside the listed geographical zones, you must register the IP address of your service with CIM Mobility.

To register the IP address of your service please contact support@cim-mobility.dk and send in the registration form below (only for IP addresses used outside valid geographical zones):

Company name:	CIM Mobility service url:	Geolocation:	Ip to whitelist:

CIM Mobility reserves the right to check the ownership of the IP addresses in the list and to refuse approval.
